SAMPLES RUN HIGH IN SILVER

Some months ago George Gordon, while prospecting in the vicinity of Birch Creek, knocked some chunks of a ledge about twenty feet wide, and brought them to town. The specimens were highly mineralized and green in color, when color usually indicates copper. As Mr. Gordon was looking for gold and silver, the copper signs did not interest him much and he left them with William Easton at the international Mr. Easton, out of curiosity, sent the rock to an assayer, and was greatly surprised when Monday's mail brought a certificate showing the rock to carry 92 ounces of silver to the ton. This report changed the opinions of both Easton and Gordon, and they immediately set about making arrangements to do some work on the ledge. Thursday a load of men with tools and supplies went out, and their work will be watched with interest—Austin Revelle.

AMUSEMENTS

WILLIAM S. HART AT THE BUTLER.

The real Bill Hart, hero of every small boy from Maine to California and from Canada to the Gulf, beloved of all who care for red-blooded action on the screen, will be seen in the Artcraft picture, "Square Deal Sanderson," which will be shown at the Butler today. In several of his recent films, Mr. Hart has doffed chaps and six-shooters, appearing as a convict in one, and in another leaving the western plains for the asphalt of the city streets. But now he's back in harness, astride a trusty horse and with his wide-brimmed Stetson atop his head. He riots through a picture that is full to the brim of action, excitement and heroic deeds. There are lively scraps, quick shooting, all the characteristic incidents of life as it was lived in the yesterday of the southwest. Those who care for action piled on action, true love and the code of honor of the far west, who revel in scenes which show the everlasting hills and deserts that stretch into miles in every direction for the strange and strenuous life of the cowboys, the communities where men live and die hard and are either very heroes or very evil—will find it all in "Square Deal Sanderson." And little is leading woman and it would be hard to find one better suited to the role.

Added to the feature will be a Bray cartoon comedy, Tomorrow, Viola Dana in "The Microbe," and a two-reel comedy, "Lions in the House," coming Monday. Rex Beach's great Alaska story, "The Girl From Out-Back," one of the big pictures of the year.

TONOPAH BOYS GO TO BISHOP

The Tonopah football squad left for Bishop this morning. The team has been badly crippled by the removal of Cordova Ross and Frank McCloskey, who were hurt during practice last Tuesday, but the boys haven't lost their nerve. They expect to show the farmers a fast game on Saturday afternoon and to bring home the bacon. A lot of school spirit was demonstrated at an enthusiastic rally held yesterday afternoon and the following men were selected by Coach Jones to make the trip:

Proctor Hug, Leland Henderson, Oden Monahan, William Mead, Louis Daoust, George Fee, Tom Connors, James McVeigh, Paul Fitzgerald, Peggy Harrington, Ora Lovelock, George McCloskey, Grayson Smith and Lloyd Swasey.

The team has had difficulty in procuring a sufficient number of cars to convey the men to Bishop and left with but two machines, heavily overloaded. With barely enough room for the actual players, it was impossible for a rooting section to accompany the team, and the boys will have to rely entirely upon themselves for the keeping up of their morale during this game. This obstacle, together with playing on the opponent's field, and two star men out of the lineup, makes Tonopah's handicap even greater than it was two weeks ago when the Bishop giants scored none. The Tonopah team will fight to a finish, however, and the students hope for a real victory on Saturday.
